

# YES, I DID SAY THAT!

A look at who's saying what in entertainment

» "I have a raging case of Linsanity. ... Fans have not come down with a basketball-borne disease this intense since ... Kareem Abdul-Jabbotulism."

**STEPHEN COLBERT**  
The Comedy Central host, on Jeremy Lin, the New York Knicks sensation.

» "I once drove 200 miles through a hurricane evacuation zone to get laid, but I don't think I'd see 'The Vow.'"

**DANNY ZUKER**  
The Modern Family producer, tweeting about his lack of interest in seeing the romantic film that grossed \$40 million during its opening weekend.

» "Pine did not even have the courtesy of picking up the telephone to tell SDB that he was ending their relationship of nine years."

**BRYAN FREEDMAN**  
A lawyer for Chris Pine's former talent agency SDB Partners, in a lawsuit filed Feb. 14, demanding commissions for Pine's \$1.5 million Star Trek 2 fee and \$5 million fee for The Man of Steel, among other films.

» "Why don't the people at your little ranch ... use all the CGI to make you go away. ... You're wrecking good movies."

**GLENN BECK**  
The conservative radio host, criticizing George Lucas for adding 3D to Star Wars: Episode 1 — The Phantom Menace.

» "You're like the white Kanye West."

**JIMMY KIMMEL**  
The late-night TV host, to *Cosplay* from actress Courteney Cox, after learning she tweeted 1,201 times in her first two weeks on the microblogging service.

» "Every 1 who can please turn to OWN especially if u have a Nielsen box."

**OPRAH WINFREY**  
The talk show host, violating Nielsen rules in a tweet urging viewers to watch her network. She later deleted the tweet and apologized.

» "I don't want to be some skinny minny with my tits out."

**ADELE**  
The singer, on how she hasn't tried to change her look to fit stereotypical expectations for a female pop star.

» "Men are terrified of me now."

**MICHELLE DOCKERY**  
The *Downton Abbey* star, confessing that the scene on the show where her firkigh lover, Ramsay, dies in flagrance has scared away real-life suitors.
