"An intellectual property and discrimination complaint has been filed by Mariah Huq and her attorney Bryan Freedman against NBC/Bravo/Fremantle and Purveyors of Pop." All About The Tea's Editor-In-Chief, **Monica**, stated in the YouTube video below.

Mariah Huq is the creator of **Married To Medicine**, the creative genius behind the show and solidly maintains Bravo and its production companies stole her creation.

Monica continued, "This lawsuit was filed today [Jan 5th, 2021] as a result of the defendants stealing Mariah Huq's creation "Married to Medicine" and not paying her royalties, giving her proper credit for spinoffs etc and treating her with discriminatory practices. The complaint is 20 pages long and lays out a significant number of discriminatory practices by NBC/Bravo/Fremantle and Purveyors of Pop, against **Mariah Huq**."
